

## Car Service

Tenbury Transport Trust provides facilities for anyone in this area who does not have access to adequate or appropriate transport. There are no age restrictions.

We run a non-profit making car service in which trained volunteers use their own cars: the drivers' running costs being reimbursed from passenger fares for each journey.

Clients must register and book car trips preferably at least two days in advance of the expected travel date.

Our drivers will accompany people from their door into hospitals, doctors surgeries, etc, as and when required.

These journeys can also include other essential trips, including shopping, social, holidays, job interviews, etc. Within reason, distance is no object.

Membership and registration is free for anyone who cannot use public transport or has none in their area.

## Other Contact Information

We are open Monday to Friday

## Volunteers!

TTT are always seeking volunteer drivers for, respectively, the minibus and cars. For private cars, mileage is reimbursed.

*If you are looking for a rewarding part-time activity, which fits in with your other commitments, this could be just right for you! So please get in touch!*
